

Oklahoma Premier Clubs PDP

March 24, 2019 | Norman, OK

February 22, 2019

Oklahoma Premier Club's Player Development Program (PDP) will host Player Development Program ID event Sunday, March 24, 2019. This PDP will include both girls and boys 2006, 2007 birth years as well as combined 2005 / 2004 birth year. This event was rescheduled from the original December, 2018 date.

We invite club coaches or Directors of Coaching to work with their players to register and enter the necessary information through the online portal via the link included below.

The initial one day PDP event will include a training as well as games in order to evaluate players and form pools in these birth years.

SUBMITTING RECOMMENDATIONS:

- **Targeted age groups:**
 - 2007 Birth Year Boys & Girls
 - 2006 Birth Year Boys & Girls
 - 2004 / 2005 combined age group both boys and girls
- **Deadline to submit recommendations, player registration: Monday, March 18, 2019**

Please sign up via the online PDP Player Recommendation form: <https://form.jotform.com/83396003157961>

- Note: Players should have a recommendation from their club coach and must note that on their registration form.

ABOUT PDP:

PDP events are identification and developmental programs conducted within OPC PDP Regional Development Program. PDP events are based in specifically targeted geographic areas within the OPC. Top players in specified birth years from multiple clubs are invited to participate based upon scouting within the leagues and recommendations submitted from OPC coaches. There are numerous benefits to attending a PDP event, including:

- US Club Soccer's id² Program: Dave Simeone, Red River NPL Technical Director
- OPC Program and Professional Club Staff on site working with Red River NPL Technical Director
- 2005, 2006 Boys & Girls will go into 2019 in consideration for U.S. Club Soccer id²
- 2004 / 2005 combined age groups formed and selected for separate training, competition for player development & college preparation.

Red River PDP yearly registration fee \$25.00 payable at online registration

We are looking to identify and select the most suitable talent throughout the OPC, regardless of their affiliation or lack thereof. Please identify and recommend only exceptional players with regional level potential. Recommended players should be dominant in their team and should be clearly identifiable as players that positively impact games. Red River Technical Director, Dave Simeone, in conjunction with OPC PDP Program Staff make final decisions on player selections.

Thanks for your commitment to improving our game, and your club coach or DOC may contact Dave Simeone via email at redrivernpltd@gmail.com
