Top players in specified birth years from multiple clubs are invited to participate based upon scouting within the leagues and recommendations submitted from OPC coaches. There are numerous benefits to attending a PDP event, including:

- US Club Soccer's id² Program staff on-site to scout attendees for inclusion in id² Program Training Camps.
- OPC Program and Professional Club Staff on site to scout attendees for inclusion in OPC College ID Combine to be held in late Spring/early Summer 2018 for U15-19 Boys and Girls
- U.S. Soccer National Team staff on-site to scout attendees for inclusion in U.S. Soccer's National Team programs.
- An opportunity to work with top soccer coaches, play with and compete against some of the area's top players in your age group, and showcase your talents in front of PDP, Professional and Collegiate coaches.

There is no cost for participating in a PDP event.
